## Centenary Dutch Gable

The Fielders Centenary Dutch Gable is a very popular addition to homes. Its clean lines and stylish appearance make your Centenary product better value for money.

Whether the Fielders Centenary Dutch Gable is used as a freestanding carport for your car, or as an attached unit for entertaining, this product will be a valuable asset to any home. With roof pitches of 15, 20, 25 and 30 degrees, there is a pitch to complement any existing house roof. Our large 158mm portal beams enable opening widths beyond 10 metres, and Fielders' unique structural side beam eliminates unsightly columns.

- Available in attached or freestanding designs.
- All beams and columns are supplied pre-cut and punched for quicker and easier installation.
- Structural side beam that eliminates unsightly columns.
- Protects valuable assets and adds valuable outdoor living area.
- Wide range of colours to choose from.
- All structural components made from high tensile steel.
- Optimal flexibility with Dutch Gable one end, Gable the other.
